

# RESIDENTIAL CASE STUDY

LUXURY ITALIAN LIVING WITH SMART HOME TECH  
INTEGRATION

## LUXURY ITALIAN LIVING WITH SMART HOME TECH INTEGRATION

### RESIDENTIAL INSTALLATION LOCATION: MONTEBELLUNA, ITALY

This realization is a seamless integration of smart, modern construction and innovative technologies, with every aspect of the project crafted with enormous attention.

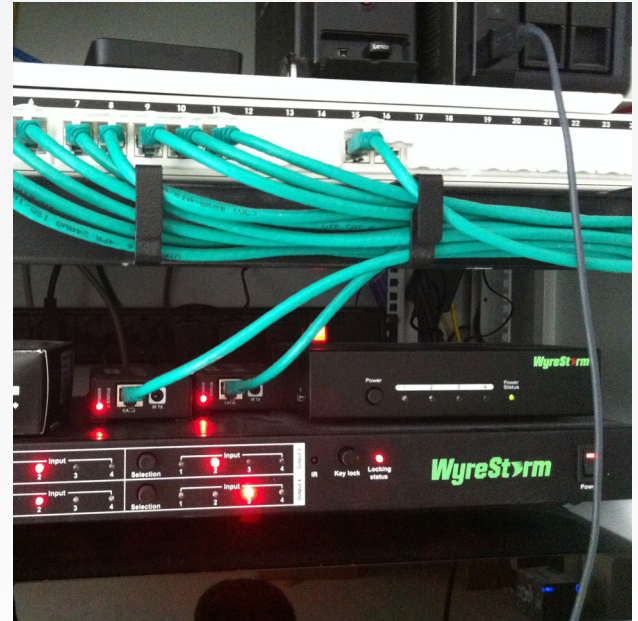

The project has seen the integration of intrusion detection systems, air conditioning, lighting, engine management (the blinds at the gates etc.), dedicated data network, WiFi - with an essential element of this integration being WyreStorm audio and video multi-zone and multi-source video distribution throughout the entire property, including

The house itself is built entirely of timber by Rubner House with technologies for home automation by Amadeus Network Solution Ltd. Montebelluna (TV).

2 surround sound AV rooms, incorporating a MX-0404-STD-RS232 HD matrix and a WyreStorm 1 to 4 UTP HD Splitter to switch and distribute sources with dual cable RX-50IR-Pro receivers at display zones for perfectly managed distribution of all media sources.

Flexibility was a key requisite of this project in allowing a seamless integration of the proposed systems, with WyreStorm's reliability and full compatibility with "third party" control systems, such the Control 4 system chosen for this project, both important aspects in the successful distribution and control of the AV sources, and thus the success of this integration, with the result being a high degree of customer satisfaction.

### PROJECT EQUIPMENT LIST:

- 1 x WyreStorm MX-0404-STD-RS232 HD matrix switcher
- 1 x WyreStorm SP-UTP-0104 1:4 UTP HD splitter
- WyreStorm RX-50-IR-PRO - 50m display receivers
- Sky Full HD
- Canal + (France)
- NAS QNap – HDMI 1080p
- BluRay Samsung
- Apple TV
- CONTROL4 HC800-BL
- CONTROL4 SR250-Z-B
- CONTROL4 HC250B-E-B-NR
- CONTROL4 MYHOME-SITE-E
- GP Tecno Touch Screen 15"
- Apple iPad
- Apple iPhone
- Apple Mac Book / e Windows
- HAI audio System "Hi-Fi 2"

- HAI Hi-Fi 2 Expansion Amplifier Assembly
- HAI Ipod Dock
- Pair Aton Storm A60W IN-Wall
- Pair Aton Storm A60C IN-Cealing
- ADEO SCREEN 367 cm - PSCHP1320
- Videoprojector EB- G5750WU
- Integra DTR-30.4
- 5.1 in wall (REVEL C780, REVEL C760, REVEL C360)
- Sub Woofer SUNFIRE SDS12230
- TVC Samsung 55- UE55D7000
- Integra DTR-30.4
- Laboratorioaudio Q15CG
- Sub Woofer Dali Fazon 1
- 46" TVC Samsung Led Full, Televisore LED
- TVC Samsung UE40ES7000 Full HD
- HAI Omni Pro II Board
- Variuos Sensor indoor
- HAI Access control card reader

### ABOUT AMADEUS NETWORK SOLUTION

**Amadeus** NETWORK SOLUTION AudioTime was born in 1995 and entered immediately in the field of audio video home and professional with particular attention to the concept of home automation. Starting from the beginning with the most important brands in the international scene to meet the most different designing and supplying integrated.
